Child Abuse Prevention Workshop in English — Join us for a workshop on child abuse prevention, which includes an overview of assault, information on identification of abused children, community resources and legal responsibilities for reporting abuse or neglect for adults in the community. [Registration Required.](#)

## Life Skills

Card Making Mentoring Peer-to-Peer — Members are making cards for Seniors of BFC as well as essential health care workers.

April is the national observation of Child Abuse Prevention and Awareness Month. During this time, Prevent Child Abuse-New Jersey implements its "Pinwheels for Prevention" campaign. The pinwheel was chosen as a national symbol of prevention because it is whimsical and evokes childlike notions – so it is a good emblem of the "Great Childhoods" we desire for all children.
