

Planning for your shoot

CLOTHING

Keep it simple, keep it comfortable, solid colors work best. Avoid large prints or patterns that distract from your face. Keep in mind that darker colors are slimming and choose long sleeved shirts rather than short-sleeve. Choose colors that compliment your eyes. Be aware that some schools may have a dress code.

HAIR

Let's face it, it's all about the hair! If your hair looks great you'll love your Senior Portrait. Plan to wear your hair in a style you're comfortable with.

LADIES

Keep your makeup natural and fresh. Lip-gloss, blush and mascara add a lot to the overall portrait.

GUYS

A fresh shave is a must! If you have a beard or mustache, make sure it's nearly trimmed.

ARRIVAL TIME:

Be sure to arrive at least 5 minutes earlier than your scheduled appointment. It's a great time to get checked in and answer any questions you may have. If you are more than 10 minutes late, we may have to reschedule your appointment.

LASTLY...HAVE FUN!

Be prepared to have fun with the staff at Hall Photography. We are extremely lucky to be doing a job we absolutely love! Having a good time and creating incredible portraits for your Senior Year is our top priority.
