## SOCA BENEFIT PLAN

Shopping for health insurance can be a time-consuming and confusing task, especially for a small business owner wearing multiple hats. But we have good news! Now, through your local Chamber of Commerce, you may be able to participate in the SOCA Benefit Plan -- a self-funded insurance pool that enables small businesses to take advantage of a simpler process, more rate stability, and potential cost savings.

- Provides an alternative to community rating
- By being part of a larger self funded pool you will have financial protection backed by Anthem's stop loss coverage, predictable fixed monthly payments, and rating stability.
- Along with Anthem's network you'll see deep negotiated discounts and more choices for your employers.
- Health and wellness programs to help support healthier employees and fewer claims
