## **COVID-19 PARTNERSHIP GRANT APPLICATION**

(Guiding Council approved: 2020.04.22)

In this unique and challenging time, we are grateful once again for our connectional Church. We are deeply grateful for the generations of generosity which allow us to make grants to assist and support NHP's congregations in particular ways associated with the impact of COVID-19, and for this opportunity for continued partnership between NHP and its congregations.

**NHP is providing one-time grants of up to \$1,000 for Local Mission and/or Technology.**

Please complete the application for the COVID-19 Grant by submitting all information to [office@newharmonypres.org](mailto:office@newharmonypres.org), with "COVID-19 GRANT REQUEST" in the subject line. A Guiding Council appointed team will prayerfully determine which grants are approved; the team may request additional information.

NHP is here to support and assist its congregations. In life and in death, and in all circumstances, we belong to God and each other. Thanks be to God.
