The Honorable Kyrsten Sinema  
United States House of Representatives  
1530 Longworth House Office Building  
Washington, DC 20515

Dear Representative Sinema:

On behalf of the Elder Justice Coalition (EJC), a bipartisan 3000 member organization, I am writing to offer our congratulations and endorsement of the "Senior \$afe Act of 2016" (H.R. 4538).

Your leadership and commitment to ensuring that financial institutions and their staff are in the best position to report and stop suspected exploitation of older adults is greatly appreciated. Banks, credit unions, and investment professionals are often the first to see possible fraud and exploitation of seniors out in the community. Your work to ensure that those entities and individuals that in good faith disclosure possible exploitation related information are not liable for such disclosure is an essential change to the current system.

The EJC supports your great work on this bill and its unanimous passage in the House. We look forward to working with you and Senator Collins (S. 2216) to secure passage in the Senate and the signature of the President during the 114<sup>th</sup> Congress.

Please feel free to contact me if there is anything that you would like the EJC to do in support of your bill.

Sincerely,

A handwritten signature in black ink that reads "Robert B. Blancato".

Robert B. Blancato  
National Coordinator
