*"I gave out the psalm and they have been singing the tune ever since," said Samuel Slater.*

Join us at Slater Mill for a collaborative songwriting project this August. Bring your friends and family for a free evening with the arts brought you to by Blackstone River Valley National Historical Park.

Guided by RI Music Hall of Famer and director of The Same Thing Project Mark Cutler, the workshops bring people together from all walks of life. You will create songs that are moving, inspiring, catchy, and rocking!

The workshop is free and in person at Slater Mill, 67 Roosevelt Avenue, Pawtucket, RI.
