

Meet Treena Leecost, M.S., Assistant Principal

Ms. Treena Leecost has over 20 years experience as a middle school math and science teacher and assistant principal in

Richmond and Henrico, including a year at All Saints before she moved to Georgia for several years. She has been awarded "Dedicated School Administrator" and "Teacher of the Year" twice. Ms. Leecost holds a Master's of Science in Administration and a K-12 Endorsement in Supervision and Leadership. She reports she is returning to All Saints "because the school exudes a family atmosphere."

As a child, she attended Catholic elementary school and later became a member of Our Lady of Lourdes. For awhile her family lived in Germany and

her parents introduced her to new cultures all over Europe. She reports that those experiences are the reason she embraces diversity and new challenges and that she still loves to travel.

Ms. Leecost sent this message to All Saints families: "I am looking forward to meeting and supporting the students and families of All Saints Catholic School! While this will be my first elementary school experience, I am most excited to take on the challenge. My experience using data to improve instruction, evaluating instruction, increasing engagement, and supporting the development of teachers has prepared me for the work ahead. More than anything, I believe in God's promises and in the work that All Saints has committed to do for students and families in this community. There is no greater opportunity than the opportunity to nurture the whole child. I am ready to "roll up my sleeves" and continue the great work of this faith-based, teaching and learning community. It's going to be a wonderful school year!"
