Virginia's Education  
Improvement Scholarships  
Tax Credits Program.

“It is the responsibility of the entire Catholic Community – bishops, priests, deacons, religious, and laity – to continue to strive toward the goal of making our Catholic schools available, accessible, and affordable to all Catholic parents and their children...”

### Which Students Are Eligible to Receive These Scholarships?

Students must come from families whose annual household income is less than 300% of the current poverty guideline, or 400% for students with disabilities. Also, the students must be residents of Virginia, and fit one of these criteria:

- are eligible to enter kindergarten or first grade, OR
- attended a Virginia public school for at least half of the current or prior school year, OR
- were not Virginia residents during the preceding school year, OR
- were previously recipients of a scholarship under this program.

### How can you receive 65% of your donation returned to you in Virginia tax credits?

In 2008, Bishop DiLorenzo established MPFE to provide tuition assistance to students who wish to attend Catholic schools in the Diocese of Richmond.

At least 90% of each donation will be used to provide scholarships.

In 2013, the Virginia Department of Education approved MPFE to receive tax credit-authorized donations under this new program. In addition to these tax credits, donors who itemize will also receive deductions for charitable contributions on state and federal taxes.

Thus, individuals and businesses can receive substantial tax benefits by contributing scholarships through this tax credit program.

Donate to the McMahon Parater Foundation for Education (MPFE) through the Education Improvement Scholarships Tax Credits program.

Your gift will provide scholarships for new students from families with limited incomes to attend All Saints Catholic School.

**IMPORTANT:** Donors should consult their tax advisors to determine their specific tax savings.
