community
action program**

THE BRIDGE TO SELF-RELIANCE

Jo-El Correia

Lead Medical Assistant
East Bay Community Action
Program
Patient Navigation and
Outreach Coordinator

The Rhode Island Health Center Association, in collaboration with the Rhode Island Department of Health and the American Cancer Society, is pleased to support this virtual event focused on current cancer screening in Rhode Island. Participants will hear from our panel of experts to understand risk factors for cervical, colorectal and bladder cancers, as well as review recommended guidelines and standardized screening activities that support cancer detection and prevention. We will also review current Rhode Island statistics and trends on breast, cervical, colorectal and bladder cancer screening and hear about how programs focused on patient navigation and outreach further support increased cancer screening activities.

Friday, June 25, 2021 8:30 AM – 11:30 AM EST

Continuing Education Information

Requirement for credit: Attendance and completion of online program evaluations are required to earn credit. A link to the online program evaluation will be provided following the live event and will be made available for up to 60 days. Social work, LMHC and nurses require full participation in the educational activity to earn credit. CME for physicians may request credit for the portion of the program attended. CE certificates will be emailed to participants; therefore, a valid email must be on file.

This continuing education activity has been submitted to the Rhode Island Mental Health Counselors Association for 3.0 Contact Hours for licensed mental health counselors.

This continuing education activity has been submitted to the Rhode Island College School of Social Work for 3.0 Contact Hours of Continuing Education for Social Work.

This continuing nursing education activity has been submitted to the Rhode Island State Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation for 3.0 contact hours.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.
