

HOW TO HELP AN IMMIGRANT OR REFUGEE

You can hire someone to help you with a party, hire a Home Health Aide or Homecare Companion for someone you love, help with a move, do a winter clean up at your house or plant flowers for the spring and summer. See the website for other services. Just go to the Building One Community website <https://building1community.org/employ/#matchand> submit a job request: <https://b1c.org/employ/hiring-site-request-form/>.

B1C will match you with a worker. You need to guarantee a minimum of four hours, pick the person up from B1C and drive them back. If you are requesting landscaping, you need to provide the tools the person will need. If you want someone to work more than four hours you need to provide lunch. The fee is \$20 per hour per person plus a tip if you think the worker did a very good job.

If you have more questions or want to talk with someone, please feel free to email WorkerCenter@B1C.org or call 203-674-8585 ext. 102 or 203-252-7044 (cell).

Many members of TBE have used B1C and have had great success.
