

## **2021 High Holiday Food Drive**

Although we collected less food than last year, many organizations have opted not to conduct drives during the last two years, so the continuing efforts of our congregation has significant impact in our community.

According to Rick Nixon, Manager, Person to Person, “TBE amassed 3,268 pounds (over 1.5 tons!) of food for P2P. To put it in context, this provides the shelf stable food for over 5,400 meals! This is an impressive accomplishment, especially given the unusual times we are living in. Please know that P2P and our clients are truly grateful and blessed to have such compassionate partners. We can’t thank TBE enough for the continued support over so many years and look forward to working together in the future.”

My personal thanks to everyone who contributed to our food drive. I would like to add a special thanks to the volunteers who worked tirelessly to unpack and sort the bags of food: Marilyn Agatstein, Amy and Ben Davidson, Lori Drucker, Amanda and Sophia Geffner, Leslie Glenn, Amy Greenberg, Susan Greenwald, Neil Katz, Dorothy Levine, Iva and Allison Mandel, Eileen H. Rosner, Irma Ross, Eric Strom and Jeff Turshen.

Todah!

Sharon Turshen  
Chairperson, High Holiday Food Drive
