Join us **this Sunday, April 5th at 12noon EDT** (and simultaneously across time zones), as Masorti/ Conservative communities around the world convene for the **Global Gathering for Healing**.

Featuring clergy and musicians from Israel, England, Brazil, and the United States, we will come together to find hope and inspiration as we prepare for a Passover different from any we've experienced before. This virtual event is hosted by Masorti Olami, Masorti Israel, and USCJ, along with our partner organizations across the Movement.

The 30-minute broadcast on **Facebook Live** will feature internationally-known clergy and award-winning musicians, including **David Broza**, **Rabbi Naomi Levy**, and **Joey Weisenberg**. At a moment when we cannot be together, we will connect, rejoice, and celebrate our Judaism across continents and time zones.
