

AFTER THE STORM

HOW TO PROTECT YOURSELF FROM FRAUD

DON'T SIGN ANYTHING!

- Don't give cash to anyone who knocks on your door offering repair services.

- Obtain multiple estimates, read the fine print, and reach out to your insurer to find out what your policy covers before signing anything.
- If you or a loved one believes they have fallen victim to post-storm fraud, report it to my office immediately by calling our Insurance Fraud Hotline at **1-800-378-0445**.
