Application for increase in gas rates by

Florida City Gas

DOCKET NO. 20260026-GU

On April 20, 2026, Florida City Gas (FCG) filed a request with the Florida Public Service Commission (FPSC or Commission) for an increase of its gas rates. FCG provides service to approximately 125,000 residential, commercial, and industrial customers in counties across the state, including Miami-Dade, Broward, Brevard, Palm Beach, Hendry, Martin, St. Lucie and Indian River counties.

QUESTIONS & ANSWERS

1. Why is FCG requesting a rate increase?

FCG is requesting a rate increase to recover the cost of operating the Utility and to allow the company an opportunity to earn a fair rate of return on its investment.

2. When was FCG's last approved rate case?

FCG's last rate case was in 2022.

3. Is there an opportunity for public input on this rate case?

Yes. As part of the evaluation process of FCG's request, Commission staff will conduct in-person and virtual customer service hearings to receive feedback about FCG's quality of service and the rate setting process. Comments will be reviewed before the Commission reaches a decision. One or more Commissioners may attend and participate during the customer meeting.

Customers may register to speak at the customer meeting in one of the following ways: (1) register using the FPSC's online registration form, which will be available at www.FloridaPSC.com, under the "Hot Topics" heading, (2) call the PSC at (850) 413-7080 or (3) email speakersignup@psc.state.fl.us.

Registration will be available beginning July 15, 2026 at 9:00 a.m. (EDT), and will close at noon on July 27, 2026. Please note that the order in which customers will speak is based on the order in which they register. If you have questions about the sign-up process, please call (850) 413-7080. One day prior to the virtual customer meeting, customers who signed up to speak will be provided further instructions from FPSC staff on how to participate.

All customers who register to present comments at the meeting are urged to call in promptly at the scheduled meeting time, because the meeting may be adjourned early if no customers are present.
