KEEPING THE MUSIC TOGETHER

Hinsdale South High School Music Booster Association
2020-2021 Membership Form

In these unprecedented times, the HSHS Music Booster Association requests your assistance. There is much uncertainty with the school year and our kids are working and learning remotely. We want to KEEP THE MUSIC TOGETHER while we're apart. We are asking music parents to join the Music Boosters to support our kids and the HSHS Music department. We are waiving our membership fee this year and ask that you share any pictures or videos of our outstanding musicians practicing, playing and making music through our social media accounts. To do so, we ask you to complete the information below so we can connect with you and keep you up-to-date on band, choir, and orchestra happenings. Despite the obstacles this year, we are striving to make this year as wonderful as we can for our talented kids and highlight their outstanding abilities in any way we can, especially together to

KEEP THE MUSIC TOGETHER.

Join us and show your student your support of musical development.
