Dinner Theater for Farmers and Growers

Farming consistently ranks as one of the most hazardous occupations in the U.S. Studies have shown that younger farmers experience the greatest number of non-fatal injuries, but older farmers incur more severe and permanent disabling injuries.

Join farmers and producers from the area for a potluck dinner and dinner theater with a focus on farm safety. Short skits, starring local farmers, will address relevant health and safety concerns in a fun, informative and engaging way. Lots of room for audience participation!

Join us for a laid-back evening of great food, information, and fun!
