

Piscataquis County Volunteer Opportunities for MGVs and Others

Hibbard Nursing Home

Piscataquis MGV Lynn Lubas is taking the lead on a new gardening program with Hibbard's activity director to work with residents on indoor and outdoor projects. Additional volunteers may be needed as the growing season progresses.

Dover Cove Farmers' Market-

Piscataquis MGV Jackie Robinson is DCFM's Volunteer Coordinator. Volunteers are essential to the success of many farmers' markets. It's great fun to work with the farmers' market!

Market Booth Staff (Saturdays mid-May-October 9pm-1pm, Tuesdays mid-June-mid-September 2pm-6pm. Full season commitment appreciated, but not required)

- record credit, debit, and SNAP/EBT transactions
- engage customers/provide information
- understand current rules and regulations of Maine Harvest Bucks distribution and redemption
- keep accurate records of sales, customers, activities at market, submit to Volunteer Coordinator

Community Outreach (occasional, short time commitment)

- distribute posters, leaflets
- promote programming at market
- write press releases

4-H: Market Kids/Passport to Health-6-8 Tuesdays, 4-6 pm (program still under development)

- Current VOLT certification
- enroll kids in 4-H to participate in \$2 token program
- have 2 activities for kids/families: Eat (sample a recipe) and Move (something physical)
- stamp kids' passports

Dover-Foxcroft Area Food Cupboard

Volunteers at distributions, etc. ([see their application](#))

SeDoMoCha School Garden

Garden activities with students during school year, encourage engagement through summer via Free Summer Meals

Your very own garden

Share your bounty with food cupboards and meal programs
Report your donations to [Maine Harvest for Hunger](#)
