From the desk of our Executive Director Anita Bowen

I feel bad for the month of January – most people complain about it pretty quickly after the ball drops and all the NYE snacks are gone. There are the diets, the resolutions, the goals, the plans … that all sound good for a couple of weeks and then…there's the weather that's less than divine that makes it tough to get out some days. It's just too much. But then, February comes and it's not too "hot" either! The only saving grace with February is that it's only 28 days. And then, March rolls around and it can sure be fickle…we might like it a lot or, we might despise it even more than January and February combined because March is supposed to bring spring and, if it doesn't, we're all ready to pout. For those of us who have lived in Indiana our whole lives, the weather and the seasons just aren't all that predictable and the only thing you can really count on is that there will be some kind of weather each and every day … and sometimes, all the seasons might appear in the **same** day.

Friends: BCSSI is an Agency for All Seasons, and that will be our theme for our Annual Celebration coming up on February 18th. It will be a breakfast affair in our Lebanon Community Room and YOU are invited. Won't you join us as we celebrate all the ways that we made a difference together during 2025? There's plenty of room for **you** – and your friends, and we'd sure love to see you.

One of the things that we look forward to celebrating is the ways that BCSSI continues to grow, change and adapt with the community. We'll highlight team members who are reaching a landmark level of service like 5, 10, 15, 20, even 25 years being a part of the family and giving of themselves in so many wonderful ways. We give out some pretty special awards, too, and it's sure more fun to do that with a big crowd to applaud – and these award winners deserve all the applause!

Also coming up in the New Year, we are looking forward to Year #3 of our current Strategic Plan. Some highlights to anticipate will be more technology/AI workshops and support, continued night and weekend activities and off-site programming to attract a variety of age groups. We also want to continue getting out into the community to make presentations about BCSSI and BATS, so, if you have an idea of a place or space that we should include in 2026, we'll sure try to get it done. As always, please stop in, give us a call or send an email if you have ideas to share. We are hopeful that the winter season will be kind to Boone County so that we can be together often.

Happy New Year 2026!!

Until Next Time, *Anita*

High kicks, holiday hits, and happy hearts...A huge thank-you to our Board of Directors for hosting a Broadway-worthy staff party complete with Backroads BBQ and a dazzling Rockette-style Christmas performance by the The Continettes Dance Team. A standing ovation to our Board for not only an incredible afternoon, but for all the ways they support our staff and our mission every day.

The Festival of Gingerbread is pure delight!! More than 100 amazing creations by professionals, families, adults, teens and children as young as preschool are on display. It's the 40th (Ruby) Anniversary of this Festival this year. Our Fun Adventure was sponsored by Homewood Health Campus. More Lunch & Learns coming in 2026 …turn to page 12. Hope to see you on the bus.

Plot twist! Our Cover to Cover Book Club wrapped up the year by unwrapping… books! Nothing beats a festive "Blind Date with a Book" exchange. Reminder: We're skipping meeting in Jan & Feb while we recharge our reading batteries.

Crafting After Hours is one of our favorite activities and our first one as a field trip was even better! Thank you to the fabulous Rebecca at Fire + Fern for making it a night to remember and to Autumn Trace Senior Communities - Lebanon for sponsoring the wonderful candle-making evening.

Stuffing Stockings with Creativity! We had an afternoon filled with colorful masterpieces, tasty treats, and lots of laughter! Guests of all skill levels had a fantastic time painting festive stockings and sharing holiday cheer during Muffins & Masterpieces. Special thanks to Shirley Luttrell & CrownPointe Assisted Living Facility for making this event magical!

O Christmas Tree… you're giving mall-level magic! Thanks to BCSSI volunteer Rue Flanders, our tree is shining bright and ready to bring joy all season long. Those handmade snowflakes Rue made really steal the show!

The Western Boone Star Voices turned Lunch and Learn into a holiday concert with their beautiful arrangement of Christmas music. Attendees enjoyed fellowship and lunch provided by Homewood Health Campus.

We made lots of holiday memories traveling to Branson! Our Group Travel trip was a true Holiday Extravaganza complete with dazzling shows, festive cheer and a little adventure when our bus broke down! No worries though, we kept the spirits high with pizza delivered right to the bus. Turn to page 11 for details on the next travel trip.

Wow! Together we raised over $8,300 at our Holiday Silent Auction! Thanks for bidding, outbidding, and making spirits bright while supporting BCSSI. Thank you to all of our donors, bidders and buyers.

It's been a few months, but we had to share these fun pictures from Halloween in the Senior Sounds newsletter. The BATS, Boone Area Transit System, mobile was the groovy place to be for Trunk or Treat at The Waters!! Even Indiana Fever's Freddy got in on the far out

Thank you to the Lebanon Eagles Ladies Auxiliary for your donation and gifts for our seniors!

Nothing means more than receiving such heartfelt comments from our Personal Service clients:

- **PS just knows what to do**
- **I look so forward to my PSA's visits**
- **We LOVE her being here in our home**
- **Don't ever take her away from me**
- **My home was so lovely to come home to!!!**

Congratulations to Stacie McQuern who recently accepted the position of Director of Volunteers and Activities.

Welcome and congratulations to Melanie Huffer on recently joining our team as the Asst. Director of Transportation!

Thank you to everyone who attended Barb Carrell's retirement party. Barb has brought kindness, creativity and heart to everything she did at BCSSI. Congrats Barb and enjoy every minute of your next chapter.

The mission of the Boone County Senior Services Foundation, Inc. is to grow a fund so BCSSI can continue serving older adults in Boone County.

From the Foundation Board President:

"I can't believe 2026 marks my sixth and final year on the Foundation Board. Even though I am nearing the end of my term, Dave and I will continue to support the Foundation so BCSSI can meet their current and future programming needs. Our community is growing and so are the needs of older adults. We believe in the adage "Bloom where you are planted" and we encourage you to help the Foundation continue to bloom!"
~Erin Herr, BCSSF Board President

In 2025, the BCSS Foundation offered several seminars. Whether you are looking for advice to better organize your estate plan, protect your identity and finances, or how to clearly document your healthcare needs, the Foundation's seminars are a safe place to begin your first steps. The Foundation will host more workshops in 2026. Watch for details in future issues of the Senior Sounds. Thank you to Alex Shrewsbury, Edward Jones Advisor, and Roger Burrus, Attorney, for speaking during a Zionsville Lunch and Learn. Thank you, as well, to attorney and Foundation Board member Troy Thompson, for speaking during one of our evening legal workshops in Lebanon.

Should I make my donation to BCSSI or the Boone County Senior Services Foundation?

Choosing to make a donation to the foundation or the agency is a personal choice and ALL donations will support the mission of BCSSI. Donations, of any amount may be tax deductible as both organizations are 501(c)3 non-profits. In general, most agency donations are used within the current budget year and donations to the foundation are placed in an invested fund that may be used in the future when special funding is needed by BCSSI to assist with programming costs. In the past., the Foundation has also helped with special funding to purchase a van and to pay off the mortgage of our building. Both organizations are governed by a volunteer Board of Directors.

BCSSI Spotlight Mary Lane Boone Area Transit (BATS) Driver

How did you learn about BCSSI and Boone Area Transit (BATS) and how long have you been a driver?
I was the President of the Senior Citizens Club in Lebanon and former driver Jim Urban was the Vice President. Jim thought I would be a good fit for the position and he encouraged me to apply. I have worked 18 years as a BATS driver.

What did you do before coming to BCSSI?
I worked for Boone County State Bank for 17 years. I loved working for a community bank and everyone was like family at the bank. I also drove for Cowan's Pharmacy on Saturday's delivering medications. I was married to Kenny Lane for 17 years. He was a farmer and taught me how to drive combines and big equipment. The experience on the farm driving larger equipment gave me the confidence to become a driver for BATS.

What do you like most about being a driver?
I love helping people and treating everyone like my own family. I always treat our riders how I would like to be treated.

Tell us a little about you?
I love to bake and cook. I had six years of Home Economics in school and that gave me great experience and the desire to cook from a young age. I specialize in baking pies, cakes, yeast rolls and tea-rings. I treat the BCSSI staff often with special pies and tea-rings! I also take orders for my baked desserts and rolls throughout the year and for special holidays. I like to play cards with friends and we have a group that meets monthly to eat (and they always want me to bring a pie) and play cards. I love to work outdoors with flowers and I have a small garden with tomatoes. I like to stay busy by traveling and taking cruises with my friend Dale Gardner. I have two daughters, Ginger the mother to my grandson, Riley, and my other daughter is Jody.

What do you feel makes BCSSI special and what do you want others to know about BCSSI?
I want others to know about all of the activities they offer for all ages and how it's a great opportunity for community members to get together often and meet new friends. So many people still don't know about everything that BCSSI offers and I try to spread the word when I am driving our riders to their appointments.

Thank you Marty for your 18 years of service to BCSSI and Boone Area Transit! We are grateful for your caring heart and dedication to our clients.
