From the desk of our Executive Director Anita Bowen

I was awakened abruptly one morning this spring by what I thought was the biggest bolt of lightning and loudest roll of thunder that I'd ever seen and heard! After I made sure I was still breathing and settled down a bit, my next

thought was that I shouldn't take a shower in the storm. It was one of the things that I remember vividly learning as a child – it was unsafe. My parents were watching out for me and by-golly if you Google it today, you'll see that it's true. That got me to thinking about some of the other things that I remember to this day that I was told as a child like:

- If I sang at the dinner table, I would cry before I went to bed.
- If I saw a penny heads up, I **MUST** pick it up for luck. (I really think my Mom picked them **ALL** up!)
- If I made a frown, my face was going to get stuck like that forever.
- If I opened an umbrella inside the house, I would have bad luck.

Now, some of these are more superstitions than true guidance but they have stuck with me for decades now. What old adages still ring loud and clear in your mind? I find it fun to reminisce and think of those individuals who shared these with me and maybe you will, too.

Perhaps you believe (and I hope you do) that "laughter is good medicine". Now that is one adage that I like to always keep in the back of my mind and have found it to be so, so true in my life. One of the best places to experience laughter is at BCSSI. There's not a day that goes by that, amid the crazy schedules and hectic work that we have going on around us, that you can't hear team members laughing in their offices and/or hallways and it just carries through the building. I have caught myself smiling many times just listening to others laughing. It really is a spirit-lifter.

And then, there are those times at BCSSI when we are intentional about bringing laughter into the building for all of us to experience. Thanks to a grant from the Community Foundation of Boone County and Psi Iota Xi – Omega Chapter, we are looking forward to more music, art and laughter this year. There is a special Lunch & Laugh highlighted in this issue of Senior Sounds and we expect that you will be joining us for some light-hearted time together this spring and summer. Whatever comes our way, we love doing it together at BCSSI and laughter (even on the really hard days) sure helps. Thanks for being a part of the BCSSI Family.

Until Next Time, *Anita*

A Once In A Lifetime Event...Eclipse Party 2024

What's happening at BCSSI...

The first Lunch & Learn on the Road for 2024 traveled to the Fowler House Mansion. Both the meal and the setting were amazing and the group learned so much about the Fowler Family. After dinner, the group traveled to the Elliott Hall of Music to watch *Come From Away*. Thank you to our sponsors, SouthernCare Hospice and Home Instead - Lebanon for making the trip possible. Turn to page 11 for details regarding our next trip.

There's always room in your jewelry box for one more necklace. Especially when it's handcrafted! Thank you Wendy Davis for a great afternoon of jewelry making!

Thank you to the Zionsville Fire Department for speaking at a recent Lebanon, Lunch and Learn about traditions and ceremonies. Pictured is Mark Wills (left) and Brett Havlin (right) wearing their traditional kilts. Mark also played the bagpipes for the group. Thank you as well to Vincent Randolph who also attended and coordinated a delicious meal from Chick-fil-A.

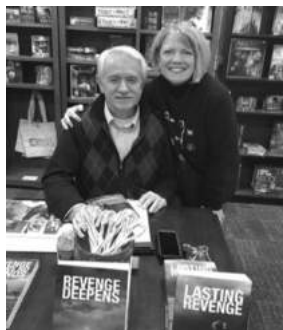

We enjoyed hosting a Saturday morning cake decorating class with Stacy Parnell. The group had so much fun decorating cookies and cupcakes. Thank you Stacy!!!

Congratulations and thank you to Terry Barnett for 7 years of service as the BCSSI Director of Finance.

Terry is officially retiring for the second time and is looking forward to spending more time with family, writing another novel and maybe taking a few more naps!

We will miss your kindness and sense of humor but we are so excited for the next chapter in your life.

THANK YOU TERRY!!!!

Congratulations to Lorrie Brehmer who was recently hired as the new Director of Finance. Thank you to Terry Barnett for sharing your knowledge and training Lorrie! Check back in the July/August Senior Sounds newsletter to learn a little more about Lorrie!

BCSSI Spotlight Rue Flanders Volunteer

Meet volunteer extraordinaire and the amazingly creative Rue Flanders from Zionsville. There is

hardly anything this special volunteer can't do or accomplish in life!

How did you first get involved with BCSSI? I went to line dancing to learn to dance and when the teacher did not show up I ended up teaching the class as I already knew two dances and have been teaching ever since.

How many years have you volunteered at BCSSI? I started volunteering about a year and a half ago.

What is your favorite activity to help with at BCSSI? Craft classes! I really enjoy seeing the look of their faces when they have a finished a project.

How many years have you lived in Boone County? About 14 years.

What makes Boone County special?
The great friends I've made.

Your Family: I have an older brother and one niece on my side and a sister in law and niece of my husband's side. Every one but my sister in law lives on the west coast.

Profession or past profession if retired:
I was an account executive at WRTV.

Hobbies and special interests:

My hobbies are anything art related and sports. I've designed and built art furniture and done contemporary sculptures in wood which have been in gallery shows, books, and magazines. I now love to work with paper to create wild and colorful pictures. On the sports side, besides teaching line dancing, I play pickleball, do yoga, and my absolute favorite is skating ice dance which I do twice a week. I am currently working on gold level dances which I have to admit, are very challenging. And last but not least, I love training puppies and working with my fur baby in various activities like scent work, tracking, obedience. She's a German Shepherd and truly needs a job.

What is something unique about you?

I don't think I'm very unique but I guess I would have to say that if I'm interested in something I just dive in and do my very best to learn it and maybe even get good at it.

Rue is pictured teaching a recent craft class in Zionsville. Rue will be teaching how to make a memo board during crafts in Lebanon and Zionsville in May. Turn to page 8 & 10 for details.

Thank you Rue for sharing your time and talent with BCSSI and our community!

OLDER AMERICANS MONTH

POWERED BY CONNECTION: MAY 2024

Every year, ACL (Administration for Community Living) leads the nation's observance of Older Americans Month (OAM) in May. The theme for 2024 is *Powered by Connection*, which recognizes the profound impact that meaningful relationships and social connections have on our health and well-being. We will explore the vital role that connectedness plays in supporting independence and aging in place by combatting isolation, loneliness, and other issues.

To help you plan for OAM, here are some ideas for how you can participate.

- Share facts about the mental, physical, and

emotional health benefits of social connection and how it contributes to overall well-being.

- Promote resources that help older adults engage, like community events, social clubs, and volunteer opportunities.
- Connect older adults with local services, such as transportation, that can help them overcome obstacles to achieving or maintaining meaningful relationships.
- Encourage partners to host a connection-centric event or program focused on older adult mentors to youth, peer-to-peer support, or similar efforts.
- Challenge professional and personal networks to prioritize meaningful social connections and share the benefits.
- Inspire older adults to share what connection means to them on social media using the hashtag #PoweredByConnection.

For more information to go:
www.acl.gov

Fresh Strawberry Cake

From: One Upon a Chef

1 1/2 c. all-purpose flour
1 1/2 tsp. baking powder
1/2 tsp. salt
6 Tbsp. unsalted butter, softened
1 c. + 2 Tbsp. sugar, divided

1 large egg
1 tsp. vanilla
1/2 c. milk
3/4 lb. strawberries, hulled &
halved

Heat oven to 350. Butter a 9 inch deep dish pie pan or 9 inch round cake pan. In a medium bowl, whisk together flour, baking powder & salt. In the bowl of an electric mixer, beat butter and 1 c. sugar until pale and fluffy, about 3 minutes. Add egg & vanilla and beat on low speed until combined. Gradually add flour mixture, alternating with the milk, beating on low speed until combined. (Batter will be thick.) Transfer batter to prepared pan and smooth out the top. Place strawberries on top, cut side down. Sprinkle with remaining 2 Tbsp. of sugar. Bake for 10 minutes, then reduce oven to 325. Continue to bake until lightly golden and tester comes out clean, about 1 hour. Cool in pan on a rack. Serve warm or at room temperature with whipped cream or ice cream, if you desire. Cake can be stored loosely covered at room temperature for several days.
