

Reasonable Suspicion Supervisor Training

Sponsored by: Hardin County Safety Council
Trainer: Dwight Newell, Ohio Health Consortium
Date: December 14, 2023 • 1pm - 3pm
Location: Hardin Co. Sheriff Training Center
1025 S Main St, Kenton, OH 43326

Dwight will also provide a brief 15-minute FMCSA Drug & Alcohol Clearinghouse training at 3pm for anyone interested in staying over.

What You Need to Know:

- 49 CFR 382.603 is the applicable regulation requiring supervisors of commercial motor vehicle drivers who operate vehicles that require a commercial driver license to take 60 minutes of training on the symptoms of alcohol abuse and another 60 minutes of training on the symptoms of controlled substances use (120 minutes in total). The purpose of this training is to teach supervisors to identify circumstances and indicators that may create reasonable suspicion that a driver is using or under the influence of alcohol or drugs, supporting referral of an employee for testing.
- If you operate vehicles that require a CDL on the public roads and **you have at least one driver** in the company, you are required to get DOT Supervisor Training. To verify if you are subject to the drug and alcohol regulations, please visit <http://www.dot.gov/odapc/am-i-covered>
- Owner-operators are not subject to DOT supervisor training. However, you are still required to register with a consortium for DOT drug and alcohol testing, set up an FMCSA Drug and Alcohol Clearinghouse account and run queries.
- Employers need to ensure that the required content is made available to all persons designated to supervise drivers. Information can be found at </regulations/drug-alcohol-testing/what-are-my-employee-and-supervisor-training-responsibilities>

The City of Kenton is opening this training to other cities, counties, and businesses. Please contact Whitney Weyant at 419-674-4850 x6 or hr@cityofkenton.com with an employee count if interested in attending.
