Housing
Association
of New Jersey**

Tuesday Workshops

The Old Way Just Isn't Working: Person-Centered, Data-Driven, Technology First Care

- A dynamic, interactive conversation between leaders on an innovative technology-first approach that transforms the care model and drives person-centered outcomes.

What's Next for Behavioral Health Benefits in New Jersey FamilyCare?

- This workshop will examine the behavioral health landscape across the nation as well as proposed changes to mental health and substance abuse service delivery in New Jersey.

Innovative Partnerships to End homelessness

- Through this moderated panel discussion practitioners in the field from California, New York and New Jersey will highlight emerging models of partnerships being developed to support at-risk, homeless populations at the intersection of health and housing.

And More To Be Announced . . .

Renewing and Rising

Investing in Homes, Investing in People

Virtual Conference
November 9 & 10, 2021
9:00 AM – 1:00 PM ET

Wednesday Agenda

Keynote Panel
Housing as a Human Right: Including Everyone

Judith Samuels, MBA, PhD

Henry Love, MA, MPhil

Wed. November 10th
9:00 AM

 **Supportive Housing Association of New Jersey**

Wednesday Workshops

Mission Ready: Supporting Veterans with Permanent Homes & Services

- National experts discuss policy and strategy to combat issues facing homeless veterans while New Jersey leaders offer successful models of community based projects that are quickly becoming a blueprint for opening doors for veterans across the nation.

Medicaid and Housing Supports, A Game Changer

- For people finding or maintaining a permanent home receiving housing support services is critical. For agencies who provide these services the opportunity to receive Medicaid funding to deliver them is a game changer.

Being Seen and Heard, Voices of People with Lived Experience

- Learning from the experts, Peri Nearon, Executive Director of the NJ Division of Disability Services (DDS) will moderate a panel of advocates who will share their challenges, hopes and dreams.

And More To Be Announced . . .
