The upcoming midterm elections are crucial for people with disabilities. There is a lot at stake and our voices need to be heard!

REV UP NJ and ACI will be hosting an event to kick off its fall election activities and celebrate the power of the disability vote!

This event will feature speeches by voting rights advocates, resources tables, voting registration, live entertainment, and free giveaways!

Be sure to visit the inside of the Annex for a photo exhibit highlighting 50 years of Independent Living!

The Disability Action Committee (DAC) will also be joining us from 3 to 5 PM for a special memorial honoring those lost to COVID-19.
