## WHO WE ARE

Between Friends Food Pantry of Sugar Grove opened our doors in the fall of 2009. We have remain faithful to our mission to ensure that no one in our community goes hungry while empowering people to remain self-sufficient during difficult economic times. We are a 501c3 nonprofit organization and are over seen by a board of directors.

## WHAT WE DO

Through the efforts of donors and volunteers we have touched the lives of thousands of individuals and families every year by providing our neighbors in need with emergency food assistance, household products and school supplies to residents in Sugar Grove and surrounding communities. In addition to onsite weekly food distribution, we deliver to low-income and homebound seniors as they are the most vulnerable to food insecurity and are now faced with more challenges because of COVID-19.
