

# VEC INVESTIGATION & REMEDIATION CONFERENCE

December 6, 2022 | Film House at Main Street Landing | Burlington, VT

## Join Us As a Sponsor!

The Vermont Environmental Consortium (VEC) is excited to present our [VEC Investigation & Remediation Conference](#). Similar to our past several conferences, this will be a collaborative effort between the VEC and Vermont Department of Environmental Conservation (VT DEC), and we have invited other members of state government, private sector consultants and service providers, and Regional Planning and Development Corporation members to present. Presentations will be offered on recent developments of PCBs in building materials, PFAS, VT Brownfield funding and projects, and linear soil projects.

### Attendance

This event will draw approximately 150 attendees including consultants, regulators, developers, attorneys, support service firms (drilling contractors, labs, other vendors), and planners.

### Who Should Sponsor?

- Providers of Brownfield Services
- Labs and Vendors
- Developers
- Law firms specializing in commercial real estate

### Sponsorship Opportunities & Benefits

Sponsors will receive special recognition through a variety of benefits as described below.

| BENEFITS & PRICING   | Gold \$750                   | Silver \$500 | Bronze \$250 |
