

2022-2023 FAMILY DIRECTORY

We need your help to publish this year's Butler Family Directory. The Directory will include family information as well as class listings. It is a great resource for families and classmates to connect with each other. This is a password protected document, published in Fall and Spring, only distributed to Butler families. This directory is not used for any solicitation. Directory submission is online this year. **All families need to enter their information this year, even if you are a returning Butler family.** To add your family information for EACH CHILD, please use the link that will be sent to you via email, listed in the e-newsletter, and posted on the Butler PTO website and Facebook page. For questions, contact Ali Abelson-romey13@verizon.net or Jeannie Redner jeannie.nagle@yahoo.com

2022-2023 PTO FAMILY CONTRIBUTION REQUEST

What does your contribution go towards? The PTO sponsors many Butler activities including educational, family and extra-curricular activities, which are made available to Butler students and teachers. Some examples of items and activities include the following:

Educational Programs and Equipment

Assemblies (3-4 per year)
Library Books
Technology
Homework Books

Playground and Gym equipment

Young Authors
Teacher Wish List

Other PTO Activities

Butler Boy and Butler Girl Events

Paint Night

Family Events at School

Butler Bash
Holiday Shop/Vendor Fair

Spring Fair

These events and activities would not be available without our volunteers and the financial contribution by the Butler families. In support of our efforts, we are asking for a \$15 contribution per household (Butler Family) as the means to offset the expenses for organizing and holding the events. This family contribution eliminates the need for us to bother you during the year with multiple fundraisers. For those who wish, you can sponsor another Butler family's \$15 contribution.

Payment is preferred through MyPaymentsPlus (www.MyPaymentsPlus.com) to reduce accounting time required to process many checks. MyPaymentsPlus is used at Butler for numerous activities such as field trips and Butler Bear Clubs. If you need to set up an account, please refer to the directions in this packet.

If you prefer to contribute via check, please complete and submit the section below with your check in an envelope labeled "PTO Family Contribution". For questions, contact Jennifer Emma jjemma3@gmail.com
