

Stuff – A – Mascot

FUN-RAISER

Would your child like to have their own Butler Bear stuffed animal?

Butler PTO is offering a take home kit where children can build their own Butler Bear stuffed animal. These kits consist of a 16” unstuffed bear, bag of stuffing, wishing star, custom made Butler shirt, and instructions. All will be packed up in a “take me home” kit.

The price for each kit is \$25.

All orders must be placed via Google Forms ([click here to order](#)). Payments in the form of cash or check (payable to Butler PTO) MUST be received at school by April 8. Once all orders are received the kits will be ordered. By the end of May, kits will be delivered to children in the traditional classrooms and available at the school for pickup for those students in virtual classrooms. This will allow time for bears to arrive and be quarantined for COVID safety.

We will collect pictures of the students with their “Butler Bears” to share on our Facebook page or e-newsletter for all to enjoy.
