

Purchase Giant Gift Cards through Butler!

Help us earn money for our school by clicking [HERE](#) to buy Giant gift cards with no additional fees.

What is the gift card program? You pick a gift card amount and pay the Butler PTO. The amount you pay is the gift card value you will receive. (ex/ you will pay us \$100 for a \$100 gift card). You do NOT pay any additional fees. Giant will then give 5% back to our school.

Will this mean I can't earn my normal rewards for gas? You will still earn your normal rewards. This will strictly change your payment method when you are at the store.

Is there a limit to how many I can buy? NO! There is a \$300 limit on each individual gift card but you can purchase as many gift cards as you would like. You can collect money from your friends and family and they can use these gift cards as well.
