## What would you do?

Recent events at the Tree of Life Synagogue in Pittsburgh, as well as tragedies on Yonge Street in North York and on the Danforth in Toronto, have taught us that terror can reach our community.

### How to prepare for the unthinkable

Statistics show that it takes more than 7 minutes for Emergency First Responders to arrive on the scene of a Mass Casualty Incident.

### In these 7 minutes ... You Can Save Lives

Join senior paramedics from Magen David Adom, Israel's National Emergency Medical Response team, and learn emergency response training, learn what you can do to help save lives in those critical First 7 Minutes. Magen David Adom's paramedics are the world's foremost experts on saving lives in catastrophic situations and share this expertise in countries around the globe *and this November they will be in Toronto to offer these seminars.*

*These sessions will only be available to those who preregister and the number of participants will be limited, to allow for live action demonstrations.*
