**WHEREAS...** a modern, safe and efficient 21<sup>st</sup> century transportation system is essential to Colorado's quality of life and the health of our economy; and

**WHEREAS...** Colorado's population has grown nearly 60 percent since 1991, while state transportation spending per driver, adjusted for inflation, has been cut in half over that same time period; and

**WHEREAS...** the Colorado Department of Transportation has identified \$9 billion in much-needed projects that lack funding; and

**WHEREAS...** there has been a significant lack of resources available to local communities to address traffic congestion, maintenance needs and safety concerns; and

**WHEREAS...** truly addressing Colorado's transportation challenges requires a dedicated, sufficient and guaranteed stream of revenue; and

**WHEREAS...** a bipartisan, coalition of local elected officials, business leaders, labor unions, environmentalists, transit groups, and community activists have joined together to ask voters to raise the state sales tax by .62 percent, or about six cents on a ten-dollar purchase, for transportation needs; and

**WHEREAS...** this measure will raise \$767 million in its first year and allow for bonding of \$6 billion for state projects; and

**WHEREAS...** 40 percent of the new revenue will go to county and municipal governments to address local transportation needs and 15% will go to multi-model transit; and

**WHEREAS...** Colorado voters will be able to vote on this statewide transportation solution on the November 2018 ballot; be it therefore
