## Neighborhood Workshop Meeting Expectations

1. **Be respectful about sharing the time.** We want to hear from each neighborhood equally because everyone has value to add. Be mindful of when it's the right time to step up and share or sit back and listen. Expect some unfinished business or for some items to sit in the "parking lot" while we focus on the agenda for the Workshop.
2. **Be prepared to share!** We want you to be able to share and learn with your peers throughout the Workshop. Feel free to bring documents, photos or materials from your neighborhood to share as examples.
3. **Let's keep politics out of the Workshop.** We want to make sure that all views and perspectives are respected. Let's keep this event nonpolitical so that everyone feels comfortable. Please do not wear or distribute any campaign or political items at this Workshop.
4. **Have fun!** Managing a neighborhood group and volunteers can be incredibly rewarding and also challenging. Having an ally with similar experiences from another neighborhood could become a great resource to you.
