

IN TIMES OF ECONOMIC UNCERTAINTY, BUSINESSES ARE BORN. CENTRAL WYOMING COLLEGE, THE UNIVERSITY OF WYOMING, AND SILICON COULOIR WANT TO HELP YOUR VISION COME TO LIFE.

ENTREPRENEURSHIP ESSENTIALS

A 4-Week intensive business start-up program offered online for the first time.

Participants will gain valuable insights from experienced entrepreneurs that include **key business frameworks, required start-up tools, and answers to essential questions that translate to effectively starting or growing their business.** This program is based on the highly successful CWC Start Up Intensive program (SUI). Over 70% of SUI graduates are still operational after 3 years. 20% of SUI graduates have raised significant private investment capital. Additionally, SUI graduates have created over 100 jobs in the last 6 years. For a full course description and to register, visit www.cwc.edu/essentials
