

## OUTLIER AWARD

An outlier is defined as someone or something that does not fit into our normal understanding of achievement. Nominations are currently being solicited. The Outlier Award will be presented to the recipient(s) during the Chamber's Annual Meeting. See below some past winners of the Outlier Award:

**2023 – Heartland United Way**, for being a pillar of support for the growth and betterment of the GI community through its various programs and initiatives

**2022 – GRACE Cancer Foundation**, for providing support to Central Nebraska cancer patients and their families

**2021 – Dr. Ryan Crouch and Dr. Tom Werner**, for spearheading the development of Grand Island Regional Medical Center and focus on a physician-led hospital

**2020 – Hope Harbor**, for transforming lives and aiding GI during COVID-19
