# ICE MELTING MAG PELLETS

- Magnesium Chloride pellets cover a large surface area and do not move after application
- The shape allows it travel underneath layers of ice to create a brine, making manual removal of ice easier
- Naturally harvested from the Dead Sea
- Safer for pets, people, concrete and vegetation
- Effective at temperatures as low as  $-13^{\circ}\text{F}$  /  $-25^{\circ}\text{C}$

# ROUND-UP GIVING

**DONATE YOUR SPARE CHANGE  
ROUND-UP GIVING MAKES IT EASY**

**LEARN MORE AT [WWW.COMPASSEUP.ORG/SUPPORTERS](http://WWW.COMPASSEUP.ORG/SUPPORTERS)**

We've made it easy for you to support our mission-- donate your spare change with your everyday purchases by joining our new round-up program! You set and control how much you want to give each month, and every time you make a purchase, we'll automatically round up your purchase to help more women & families get the support they need. It's small change for you, but a huge impact to us! Think of it as a virtual baby bottle to throw your spare change into!

## **LINK YOUR CARD**

Activate any card you use for regular purchases in order to turn even the smallest purchase into big change.

## **SET YOUR MONTHLY GIVING**

You control how much change you want to give each month, and you can adjust it up or down anytime you want.

## **MAKE A DIFFERENCE WITH EVERY SWIPE**

Every purchase made on your card will be automatically rounded up to the nearest dollar and donated directly to Compass to serve women and families in Eastern Upper Peninsula!
