

WE ARE EXCITED TO ANNOUNCE OUR 2019 LBH CORE TEAM!!! NOW INTRODUCING....

Kayla Dutton: Throughout the past few years, I have been dedicated to serving my community by teaching religion classes, being a crew leader in Vacation Bible School, and participating in seven mission trips. When I am not spending time inside a church, I can most likely be found kayaking, hiking, or skiing. I plan on continuing the majority of these activities while attending The University of Wisconsin- Madison this fall and am overjoyed to be a badger. But first, Love Begins Here! I cannot wait to offer up my time serving God and meeting more disciples as I continue on a plethora of mission trips this summer!

Nick Efferson: I was born in Green Bay, WI, where I still live today. I love playing music (my guitar and singing), playing sports, and spending time with family. My faith journey has been a rollercoaster at times, but I am confident in the love that I have for Jesus Christ and the love that He has for me. What I look forward to regarding LBH is to share in the joy for the Lord and to be taken deeper on my walk with Christ and to share my love with everyone I meet!

Hannah Gallenberger: Hey, everyone! I am so PUMPED for this summer! I love being Catholic and I LOVE being nourished by Our Lord's TRUE presence in the Most Holy Eucharist! I have been praying for you for a while, especially on the Walk to Mary (pictured)! I cannot wait to meet you and to serve the Lord with you! Pax!

Jennifer Grajek: I'm going to be a junior at UW Whitewater. I'm currently studying to be an elementary education teacher. If you were to ask my fellow brothers and sisters in Christ what I am like, they would say my laugh and smile are contagious. Some of the best experiences and memories I have made was when I traveled to Poland, Slovakia, Czech Republic, and Hungary. I'm looking forward to working with the students, team members and discovering my identity as a beloved daughter of God.

Katya Konopacki: Hi everyone! I am from the little town of Tisch Mills, WI. I am a graduate of Roncalli High School and in the fall, I will be attending Saint Louis University to major in Theology! Some of my interests include: running, eating bread, coffee, and photography! My favorite saints are Maria Goretti, John of the Cross, and Peter. I am beyond excited to live out the role of a servant leader this summer on the Love Begins Here Core Team as the Media Lead!

Tomerot Lambert: Hello everyone! My name is Tomerot Lambert. I was born in Ethiopia but grew up in Manitowoc, Wisconsin. I am a seminarian discerning the religious life with the Society of Divine Word Missionaries. I am in my third year of the seminary program. I am looking forward to learning and growing with the missionaries this summer.

Nico Stellpflug: I was born and raised in the Fox Valley area and grew up going to St. Paul Parish in Combined Locks. I went to Kimberly High School and recently graduated from UW-Milwaukee with a bachelor's degree in biomedical engineering. I spend most of my time laughing and smiling, but other than that, I love reading, biking, and spending time in prayer. I also enjoy music, and I have a very eclectic taste (classical, pop, rock, EDM, R&B, etc.). Mother Teresa is one of my favorite saints, and I am very excited to serve the people of the Green Bay Diocese and share the joy and light of Christ with them in a program modeled off her work.

Lynn Terrien: I'm a recently retired high school and middle school science teacher. My husband Bernie and I are members of St. Bernard's parish in Green Bay where Bernie serves as a deacon. Our love of service grows from the diaconate. I enjoy serving our parish and community with Bernie here in Green Bay and traveling to Nicaragua to do service work there with an organization called Amigos for Christ. Working with students and being God's hands and feet has been an awesome combination. I look forward to applying the skills I have developed to organize student groups and mission trips to working as Coordinator for the Love Begins Here Summer Mission this summer.
