

# Register for EYH Chicago!

Saturday March 20, 2021  
12:15pm-4:00pm CST

Our annual (now virtual) STEM conference empowers girls to pursue careers in STEM via positive role models and hands-on learning

Girls in grades 6-8 are placed into tracks to attend 3 of the 24 workshops offered, run by STEM professionals in subjects like coding, microscopy, chemistry, and robotics

The cost is FREE. Care packages with materials for hands on workshops will be shipped to Illinois residents that register by Feb 19th. Visit [eyhchicago.com](http://eyhchicago.com) for more information!

Registration for CPS students opens January 25th  
Registration for all students opens February 8th
