- Versiti staff members will be taking everyone's temperature when donors arrive and asking them to wash their hands or use hand sanitizer;
- The team will be wiping everything down to ensure sanitary measures;
- They will also make sure donors are keeping as far apart as possible and ask overflow to wait out in another area if necessary
- All donors will be required to wear masks and our crew will have them on as well

**Photo ID is required**

**Helpful tip: Make sure to eat a healthy meal and drink plenty of water before donating.**

Versiti is pleased to announce the [SARS CoV-2 antibody test](#) will be performed on all donations beginning August 17<sup>th</sup>, as part of our standard testing. We will be conducting this test as we continue to fight the ongoing COVID-19 pandemic with the help of our donors.
