Greetings...

We are getting a jump on previews of great Fall and Winter activities in the Town parks and offered by the Recreation and Parks Department. You'll see that we are providing once again well-received activities. Even though you may still be dipping into one of our hamlet pools to cool off when this reaches you, cool breezes are around the corner. On behalf of the Town Board, the Recreation and Parks Advisory Committee (RPAC) and our staff, I am delighted to present the Recreation and Park Department's 2019 Fall program brochure.

Here are some highlights:

- **BEDFORD'S TRI-FESTA** – This second annual community event will be held Saturday, Sept. 21st, from 3:30 – 8 PM at the Bedford Hills Memorial Park – Food Trucks, Beer & Wine Garden, Live Music, Kids Entertainment, Inflatables and more! This family friendly event is a celebration of our wonderful Bedford community – Bedford Hills, Bedford Village & Katonah – "Three Hamlets – Three Times the Fun!" All are welcome!
- **FAMILY CAMPOUT** – back by popular demand, the family campout will be held at the Katonah Memorial Park from 3:00 PM Saturday, September 7th to 10:30 AM Sunday, September 8th. This is a great family friendly activity and a great opportunity to experience the beauty of camping in your own backyard!
- **BEDFORD COMMUNITY THEATER** – BCT has been a staple in our community for over a decade and offers a great community theater experience for all ages. Come see another exciting show this fall – "The Adams Family"! Whether you want to be on stage or behind the stage there is an opportunity for everyone to get involved! Follow them on Facebook at <https://www.facebook.com/bedfordcommunitytheatrebedfordhills/> for more information on tryouts and how you can become a part of the BCT fabric!
- **KVIS 5K Race** – this annual favorite will be held again this fall, Saturday Sept. 7th – grab your sneakers and join the Katonah Village Improvement Society for this fun race!
- **BEDFORD TURKEY TROT** – The 15th annual Turkey Trot will be held on Saturday, Nov. 30th at 9:00 am. This annual event has always had a tremendous showing so don't hesitate – sign up early at www.bedfordturkeytrot.org
- **BEDFORD'S SENIORS ARE TRIPPING!** – Bedford's seniors took some great trips this past spring (Resort World Casino, seeing NYC street performers through "The Ride," a riverboat ride down the Connecticut River) but the fun doesn't end there! They continue their adventures this summer and fall as they will be ferrying to Port Jefferson, NY on August 8th, enjoying the exciting action at Mohegan Sun Casino on September 6th, dancing the "Polka, Polka, Polka!" at Aquaturf on October 15th, and eating lunch and tasting wine at the Magnanini Winery and Restaurant in Wallkill on November 12th. For those who want to stay close to home come to the Bedford Hills Community House for Chair Yoga, Mahjong, or to one of our weekly meetings! See page 28-30 for more details!

These are just the highlights! Please take a few moments to browse through this brochure with its scores of great weekly programs for children through seniors. We are proud of our parks, which are gems which rival private clubs. It continues to be our goal to provide high quality recreational services, programs and well-maintained park facilities for the residents of Bedford and their guests. We value your suggestions and comments, so contact us at any time.

Warm regards,

Chris Burdick

PRESCHOOL DRAWING WITH YOUNG REMBRANDTS

Instructor: Young Rembrandts

Young students are so eager to learn and a joy to teach. Young Rembrandts instructors provide a nurturing and strong learning environment that expands Pre-schoolers' image vocabulary as they draw familiar images such as fish, teddy bears, rainbows and cowboys. We'll concentrate on the skills of drawing and coloring while we develop fine motor skills, focus, listening, staying on task, patience and spatial organization.

MUSIC TOGETHER

NEW

Conducted by: Music Together of Northern Westchester

Music Together is a class for both the parent and their children that emphasizes the making of music not just passively listening. We explore songs through small and large motor exercises, finger plays, and free dance. Rhythmic development is supported with age-appropriate instruments such as egg shakers, rhythm sticks and jingle bells. Props including scarves and soft play balls are also used. The music is rich, diverse in key and tonality, and multi-cultural. Our goal is to create an experience of fun, joyful family music to be shared a lifetime.

A Message from BDOG

What is BDOG? Bedford Dog Owners Group (BDOG) is an all-volunteer non-profit organization up dedicated to enriching the recreational opportunities of dogs and their people.

We welcome your interest and participation...attend a monthly meeting, come up with a new idea for the dog park, or help us plan a fundraiser to enhance the dog park. Anyone can join BDOG, our yearly membership fee is only \$5, which gives you voting rights at our annual Board of Directors elections. We meet once per month: won't you join us as we work with the Town for a better dog park experience?

Over the years BDOG has worked cooperatively with the Town on projects like: fence repairs, new benches, shade trees, shade structures (a new one is coming this Fall), and more.

A Message from the TOWN CLERK

Canine Commons Dog Park permits MUST be renewed annually after January 1st. Dogs using Canine Commons must have a valid New York State license and a valid dog park permit issued at the Town Clerk's office. Permits are available to Town of Bedford residents for a fee. A limited number of non-resident permits are issued each year. Please call the Town Clerk's office at 914-666-4534 to inquire the status of available non-resident permits.

PLEASE NOTE: The park is checked on a regular basis by the Bedford Police Department and Dog Control Officer. Fines for non-permit holders may be as high as \$250. Permit holders are reminded to display their valid permit in the designated drivers side, side window.

The Town Clerk's office is located at the Town House, 321 Bedford Road in Bedford Hills, or call 666-4534. The office hours are Monday through Friday 8:30 am to 4:30 pm (and for residents after hours by appointment).

BEAVER DAM PARK HOME OF THE CANINE COMMONS

Beaver Dam Road off of Harris Road Bedford Hills

This park features the Canine Commons Dog Park which officially opened in the Spring of 2008. This 1.5+ acre site features three separate areas that are fully enclosed with fencing. There is a small dog area (under 30 lbs), large dog area (over 30 lbs) and an agility area. Use of the Canine Commons area is open to Town of Bedford residents who are licensed and have a valid dog park permit.

USE OF THE AGILITY ENCLOSURE

The Agility Training is unlocked and open for individual use except during times when Agility classes are being conducted. The "open" time in the agility area is first come first served with one person/dog permitted at a time. This separated area offers an option for permit holders in addition to the very social small and large dog enclosures. Agility use guidelines will be posted on the bulletin board and at the agility enclosure entrance. Use of the equipment is not permitted.

Plant a Tree

Finally, some hopeful news about reversing climate change, and how you can be part of that solution!

The Yale School of Forestry and Studies this year published an article that states:

"There is enough room in the world's existing parks, forests, and abandoned land to plant 1.2 trillion additional trees, which would have the CO₂ storage capacity to cancel out a decade of carbon dioxide emissions, according to a new analysis by ecologist Thomas Crowther and colleagues at ETH Zurich, a Swiss university."

The research, presented at this year's American Association for the Advancement of Science conference in Washington, D.C., argues that planting additional trees is one of the most effective ways to reduce greenhouse gases."

Here are some of the benefits that trees provide us beyond absorbing CO₂: they clean the air of pollutants, provide oxygen for us to breathe, cool our streams and homes with their shade, conserve energy by reducing our air conditioning needs, save water by reducing evaporation, prevent water pollution by slowing or stopping run-off which carries fertilizers and pesticides into our waterways, prevent soil erosion, provide food to both us and pollinators, and, when grown sustainably, provide us with wood for almost infinite uses.

So besides reducing your carbon footprint, plant a tree on your property (or a number of trees). For a list of native trees appropriate to Bedford contact conservation@bedfordny.gov.

HELP PROTECT OUR CREEKS, LAKES AND RIVERS

What is Stormwater?

Stormwater is rainfall or snowmelt that runs off surfaces such as roads, compacted ground surfaces and rooftops. As the stormwater runoff moves, it can pick up and carry away natural and man-made pollutants such as fertilizer and animal waste. Eventually, the runoff deposits the pollutants into lakes, rivers, wetlands, coastal waters and even our underground sources of drinking water. This is called nonpoint source pollution.

COMMON STORMWATER POLLUTANTS

There are a variety of contaminants that can easily pollute our stormwater. Rain picks up oil and grit left on the roads; sprinklers wash pesticides, fertilizers and weed killers from our gardens and lawns; washing the car carries detergents, oils and grease from the driveway and into our waterways.

MOTOR OIL: Four quarts of motor oil can create an 8-acre oil slick and contaminate a million gallons of drinking water.

ANTIFREEZE: Antifreeze is a toxic pollutant that can kill not only aquatic life but also pets when they drink from contaminated puddles.

PESTICIDES: The use of harmful chemicals on your lawn can be reduced with proper mowing, fertilizing and watering. Apply pesticides only in areas where needed and only in directed amounts.

ANIMAL WASTE: Pet and other animal waste is raw sewage that releases bacteria and oxygen-consuming materials into our waterways. Pet owners should always "scoop the poop"!

SOAPS AND DETERGENTS: Detergents are pollutants that contain phosphorus which contributes to algae blooms. Algae blooms deplete waterways of oxygen and cause fish kills.

YARD DEBRIS: Yard waste (grass clippings and leaves) is a pollutant that releases bacteria, oxygen-consuming materials, phosphorus and nitrogen into our waterways. It also clogs storm drains, which contributes to flooding. If necessary, bag yard waste in clear plastic bags and place curbside on your regular garbage collection day.

Preventing Stormwater Pollution

Pollution is a problem but **YOU** can be the solution! There are many ways you can help prevent stormwater pollution.

- Don't dump waste, including organic material such as leaves and grass clippings, in storm drains.
- Inspect and maintain your car to prevent oil and antifreeze leaks.
- Use kitty litter to clean up leaks and spills. Never hose spills into the gutter.
- Buy household and garden products that are environmentally safe.
- Do not apply lawn or garden products when rain is forecast.
- Avoid over-fertilizing your lawn by testing your soil first to find out how much of which nutrient it needs.
- "Scoop the poop" by discarding pet waste in the garbage or flushing down the toilet.
- Dispose of household chemicals properly. Take motor oil, antifreeze, oil-based paint, paint thinner, varnishes and solvents to a recycling station. See bedford2020.org/recyclopedia for more details.

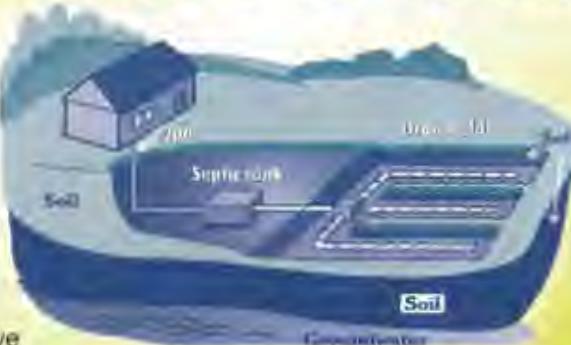

REMEMBER only rain down the storm drain.

NEW SEPTIC INSPECTION LAW & NEW REIMBURSEMENT PROGRAM

To protect the quality of the drinking water for Bedford and New York City, the NYS Department of Environmental Conservation and Westchester County have developed a new Septic Inspection Ordinance.

This law requires that you have a Westchester County licensed service provider pump your tank and inspect your system at least once every five years. The contractor is required to file a "Septic System Data Form" with the County and should give you a copy. The Town will review the County's information and determine compliance with the new law.

If the County Department of Health has issued you a Notice of Non-Compliance that your system is failing, you should also go to the Town's website or call 666-4434 to find out about Bedford's septic system repair or replacement reimbursement program. You may be eligible for reimbursement up to 50% of the cost of your system's repair or replacement provided you meet certain conditions, including Department of Health approval for the work performed.

At the end of May, we said good-bye and happy retirement to Superintendent of Recreation & Parks, Bill Heidepriem. Bill began his 40 year career at the Village of Pleasantville, first as a part-time employee, then full-time. It didn't take long for Bill to become the Superintendent in Pleasantville. After Pleasantville, Bill went on to become the Superintendent for the Town of Lewisboro; where he spent 11 years of his career before coming to Bedford in March of 2001.

Bill made his presence in Bedford quickly known as he systematically made improvements to every hamlet park facility and then some. Bill was instrumental in completing renovation projects for all 3 pool bathhouse facilities, Bedford Village, Bedford Hills and Katonah. Katonah's bathhouse became quite the project as it neared completion it had to be taken down and re-done as it was discovered to be falling off the foundation. Unfortunately, this was not the end to Katonah's misfortune when the new bathhouse burned down in April of 2007. Both times, Bill worked tirelessly with his staff to bring in temporary facilities so that the pool would open on time, which it did! A year later a beautiful new Katonah Pool bathhouse was constructed.

Bill was also instrumental in working with BDOG (Bedford Dog Owners Group) in creating and opening the Canine Commons Dog Park in spring of 2008. Bill has worked closely with many organizations to help improve our hamlet parks including the Katonah Memorial Park Association (renovation of the shelter/fireplace) and Bedford Village Chowder and Marching Club (most recently new basketball courts, playground).

Other notable park improvements include the re-surfacing of all 3 hamlet park tennis courts, the renovation of the Bedford Hills Basketball Courts, the new picnic pavilion at Bedford Hills Park, pond beautification at Bedford Hills Park, and renovation of the paddle courts at Bedford Village and Katonah.

In addition, the Bedford Hills Train Station got a major face lift in April of 2017 – Bill was the "conductor" behind that project and we now have a beautiful multi-purpose meeting room to enjoy. Bill also initiated the process of creating Master Plans for our 3 hamlet parks which are a guide for future projects in our parks. Currently being completed is Phase 1 of the pedestrian path way at Bedford Hills Park.

Bill has always had great vision for the department and the Recreation & Parks profession. His forward thinking was instrumental in creating events such as the Family Campout and Bedford Tri-Festa, and he has also worked tirelessly to add a new part-time senior outreach worker to the department who just started this spring. Bill was also very involved with our professional society, WRAPS (Westchester Recreation and Parks Society). For many years Bill served on the Awards & Scholarship committee. Most recently Bill was co-chair of the Parks section, offering workshops for parks and recreation personnel on topics such as the Virginia Graeme Baker Act; CPO courses (Certified Pool Operator) and a Dog Park seminar.

Bill's professionalism, dedication, commitment, work ethic, and sense of humor will be greatly missed. His will definitely be hard shoes to fill but he has certainly left the department and facilities in good shape. The old saying, "Leave things better than how you found them" can surely be applied ten-fold. It is with much gratitude, appreciation and heartfelt thanks to Bill for all he has done for the Town of Bedford Recreation & Parks Department and its residents.

May you have a long, happy, healthy, stress-free and well deserved retirement! You deserve all that and so much more!
