

AN APPEAL FROM OUR TREASURER, PAULINE HAYTON:

Did you see the movie “Support Your Local Sheriff” starring James Garner? Well, now it is time to renew your membership of Marco Island Writers, this is a gentle reminder to support your local writers’ group.

Why would you want to do that during this time of self-isolation and Zoom get-togethers, you may ask?

Well, writing is a lonely business. Being in the company of other writers can be supportive, educational and fun. Marco Island Writers have a great program for you to enjoy this year, where you can learn a lot.

Other members can give you tips as to which books they find useful.
Joanne touts “Rivet Your Readers with Deep Point of View.”
I like “Hooked” by Les Edgerton.

You can advertise your books in the MIW newsletter.

Just a few benefits to entice you to get your check book out and send Marco Island Writers Inc. a check.

You can **send one to me**, \$55 for a one-year, individual membership
