

A Message from Principal Robin DeBusk

Wow!!! These have definitely been a wild first few months. We have learned a lot about Canvas, Modules, Submissions, and Announcements. By now I am sure you have worked with your child to navigate through each teacher's Homepage in Canvas. The main button you need is "Modules." This is the lifeline to all assignments and directions. "Announcements" also need to be checked every day for every class. The official gradebook is JCampus—which you can access through the Student Progress Portal.

As of right now we have about 900 traditional students and 200 virtual students. It is so wonderful to see our halls full again and hear the laughter and conversations. Our CMM Family is back together again.

I have started the CMM Friday Email Blast. If you have not received emails from me the last few weeks, please email me your name, your child's name, and grade. This is our main source of communication and is very important.

We are all so excited about this new school year and can't wait to see all of the wonderful things our students will accomplish!
