

## Ornament Pre Sale Form

Each cloisonné ornament is \$35.00. We are only doing a preorder this year, if we have enough interest we will order ornaments. To pre order your CMM keepsake, please fill out this form and return it to the school. **Please make checks payable to CMM. Or We will collect payment when ornaments arrive.**

Every detail of every ornament is assembled by hand. Each ornament is considered a work of art. Ornaments within the same order and from the same design will most likely vary within a range of acceptability. This is because there could be several artisans working on the same design, so variations are expected and are also part of what makes the cloisonné medium so special.

Complete, cut and return this form on or before Friday, August 31, to pre order your ornament.
