Hello Easy!

[PNK Education Websites help teachers and students](#)

Navigate. Go to pnks.org and click "Education." Enter the password "learn." Select "Children's Page" or "Youth Page." Use the menu to find the unit you are interested in.

Audience. These lessons are prepared for students grades K-6. When appropriate, parts of the lesson may be labeled "Primary" for grades K-2, and "Intermediate" for grades 3-6.

Individual. The lessons are created to allow a child to receive Christian Education at home and relatively independently. Lessons are presented in a manner similar to how many children are delivered public education when being taught remotely.

Class. Use with a class in-person or on Zoom/Google Meet/other video conferencing. Teachers can select the videos and activities that meet their needs. Find "Teacher/Parent Lesson Outlines" in the menu.

Schedule. Use the lessons anytime on any day, or use by the suggested schedule.

Confidence. Our volunteer teaching staff are all public school educators with hearts for children. They are eager to pass on the love of Christ while teaching within the framework of our reformed faith. Carmen Raines, teacher and seminary student, supervises the team on behalf of Presbytery of Northern Kansas.
