

# Covid-19 and the Church

PNK to offer a fourth update from Dr. Lisa Allgood.

***Join us Tuesday, May 25th at 12 noon via Zoom.  
(Zoom invitation is below)***

Back due to popular demand! We are hosting a 4th webinar with Dr. Lisa Allgood. Lisa is Executive Presbyter in Cincinnati Presbytery and an immunologist for nearly 4 decades.

Lisa has been bringing wisdom and expertise and practical advice to the Mid-Council (synod and presbytery) Leaders of our denomination for the past year. The intersectionality of her skills and experience offer great benefits and wisdom for us today. We wanted to provide you a space to hear from her and ask her questions. We hope you attend.

A bit about Lisa—Trained as an immunocytochemist and a graduate of the University of Medicine and Dentistry NJ, Lisa spent 36 years as an executive in the pharmaceutical industry. She is a Commissioned Ruling Elder (Lay Pastor) currently

serving as Transitional Executive Presbyter for the Presbytery of Cincinnati. Lisa is Secretary of the Board of Directors for Sinapis, a Christian non-profit based in Kenya serving entrepreneurs in ten countries on two continents, training and equipping them to build their businesses, thereby breaking the cycle of poverty in a Christian ethical framework, and has served in a number of other non-profit organizations locally. Lisa has two daughters: one completing her doctorate in clinical psychology at Xavier University, and one living in North Carolina, where she is married and teaches High School Chemistry and Environmental Science. Travel and photography are her favorite hobbies when she's not running endless meetings!
