### **Session 2. Current Graduate Students (March 2, Wednesday, 3:00 – 4:00 PM)**

Four current graduate students will answer questions from attendees to share their endeavors in preparing and completing the higher degree.

### **Session 3. Program Coordinators at TU (March 23, Wednesday, 3:00 – 4:00 PM)**

The coordinators of graduate programs offered at TU will lead breakout sessions in which each will introduce their programs and discuss other aspects (application process, scholarship opportunity, job position of graduates) of the program they coordinate.

### **Session 4. Required Exams (April 6, Wednesday, 3:00 – 4:00 PM)**

A panel of professionals will discuss the required exams for applying to graduate school (GRE, GMAT, LSAT, and MCAT). This will be an interactive session in which students get to solve a few example questions for each test. The first winner of each exam will receive a free practice test.
