Applicant Briefing Announcement DR-4480 (COVID-19)

The Office of Recovery at the Division of Homeland Security and Emergency Services will be holding several virtual Applicant Briefings to discuss the federal funding from the Federal Emergency Management Agency (FEMA) that may be available under the COVID-19 major disaster declaration. The briefing will provide state agencies and authorities, local governments and private non-profits guidance on the eligibility standards for being an applicant under a FEMA disaster grant and what types of activities are reimbursable under this current declaration. Below are several date and times we will be holding these briefings and encourage any entity that is responding to the COVID-19 to register.

Emergency medical care (diagnosis or treatment of mental or physical injury or disease) private non-profits that may be eligible for reimbursement include:

- Clinics
- Facilities that provide in-patient care for convalescent or chronic disease patients
- Hospices and nursing homes
- Hospitals and related facilities, including:
    - Central service facilities operated in connection with hospitals
    - Extended-care facilities
    - Facilities related to programs for home health services
    - Laboratories
    - Self-care units
    - Storage, administration, and record areas o
- Long-term care facilities
- Outpatient facilities
- Rehabilitation centers that provide medical

FEMA makes the final determination on applicant eligibility for private non-profits. The types of information requested for review:

- DUNS Number
- Organizational Charter / By-Laws
