In the fall, Bryce will be attending West Virginia University to study Journalism/Sports Media at the Reed College of Media. He will also be a member of The Pride of West Virginia Mountaineer Marching Band.

SERVICE TO THE TASK FORCE

As a 6-year member of the Hunterdon County Youth Coalition (HCYC), Bryce has led many initiatives in a variety of Drug-Free Task Force campaigns. Most importantly, Bryce helps the task force understand the climate of high school life. His feedback on youth perspective when it comes to strategizing for new programming, has been essential in building successful initiatives both in school and out in the community. He has also educated parents at community events about the ever-changing vaping devices, been on the YOUTH Positively Speaking podcast several times, and voiced the directions on how to use the Help App that was distributed to all the high schools.

Our 5 Key Questions with Bryce Cohen

1

DO YOU HAVE ANY HOBBIES OR FAVORITE TRAVEL DESTINATIONS? IF SO, WHAT/WHERE ARE THEY?

My favorite travel destination is Yankee Stadium. Absolutely nothing beats seeing the Bronx Bombers in action, and it's always a plus getting to see a win.

2

WHAT IS AN INTERESTING FACT ABOUT YOU?

An interesting fact about me is I like to collect vinyl records. I collect records ranging from Alt-rock to Rap.

3

IF YOU COULD EAT A MEAL WITH SOMEONE PAST OR PRESENT, WHO WOULD IT BE AND WHY?

I would eat dinner with Eli Manning. He is by far my favorite professional athlete ever and I'm sure he'd make for a great conversation.

4

WHY ARE YOU INVOLVED IN OUR COALITION? WHAT MOTIVATES YOU?

I am involved with HCYC because HCYC has the power to positively affect youth members of the community, and prevent them from going down a path of substance misuse. I am motivated by my brothers, because I seek to make a positive impact in their lives with the power of prevention education.

5

DO YOU HAVE ANY SUGGESTIONS TO MAKE OUR COALITION MORE EFFECTIVE AND CONTINUE TO GROW?

When I talk to people at school about HCYC, very few know about it! Spreading word that there's an awesome youth community located here in Flemington, NJ could help the program grow more and more.
