4

WHY ARE YOU INVOLVED IN OUR COALITION? WHAT MOTIVATES YOU?

My 2 boys are why I'm involved and what motivates me. They're growing up in Hunterdon County and I want them to know, along with their friends, the dangers of drugs and the harmful effects they have on day-to-day life.

5

DO YOU HAVE ANY SUGGESTIONS TO MAKE OUR COALITION MORE EFFECTIVE AND CONTINUE TO GROW?

I believe talking about the coalition to friends, family, co-workers, etc...we can bring in new members with new ideas. Another avenue to consider is engaging our high school and college students to give us insight into how they think and what they are interested in.
