SERVICE TO THE TASK FORCE

Youth perspective is essential to shaping the way in which information is delivered and where we can reach teenagers most effectively.

Luke has been an exceptional youth partner, helping to facilitate via social media the 2019 Take Back Your Vape event, participating as a guest speaker on the first Positive YOUth podcast and as a presenter at the June 2022 Sector Town Hall.

Show the world Amanda's personality, friendliness and determination. If more people knew the energy she brought to every meeting, more people would join and help the cause.
