

Dear Licensed Supportive Living and Long-Term Care Residents and Families:

You are invited to a **Telephone Town Hall** with Dr. Deena Hinshaw, Chief Medical Officer of Health, to discuss the next steps for Alberta's Visitor Policy.

As Alberta is entering into the next stage of the COVID-19 pandemic, please consider what matters most to you and what solutions you would propose to inform changes to the visitor policy for the summer months.

Please consider what you would be willing to adjust or do differently to enable your desired type of visit.

Register by clicking the link below for the session that works best with you and refer to the attachments in advance of the event to know what to expect.
