

Abuse Prevention Workshop

January 10, 2017—6:30—8:30 p.m.— SAIPA Office

This training gives learners the skills to recognize and report abuse and is intended for individuals receiving PDD supports and their guardians.

This training follows the PDD guidelines and standards for Abuse Prevention and Response Protocol.

Upon completion of this training, individuals and guardians will:

- Receive information about what abuse is and the different types of abuse
- Receive information about how they can stop abuse
- Learn what to do if abuse happens

SAIPA offers this training on an as needed basis and it is open to individuals and guardians served by any agencies receiving PDD funded supports. To register, contact the SAIPA office at (403) 320-1515 or mail@saipa.info.
