

Fisher Carriage House

Address: Fisher Mansion (1206 West 200 South)

Project Details

CIP Funding Amount: \$1,098,764

Phase: Design/Construction

Anticipated Start Date: Fall 2020

Anticipated Completion Date: December 2022

Project Scope

The proposed exploration center at the historic carriage house behind the Fisher Mansion on 200 South provides space for school group activities and education programs. It will also provide a place for visitors to engage with city staff and get information about the Jordan River Parkway Trail and water trail.

Project Benefits

The proposed project will:

- Restore and rehabilitate a beautiful and irreplaceable historic community asset.
- Activate the Jordan River Parkway Trail and Folsom Trail with a “public facing” trailside amenity.
- Begin to activate the incredible Fisher Mansion property, consistent with the wishes of many community partners.
- Foster community education and appreciation of the natural history and heritage of the Jordan River.
- Provide an attractive and enjoyable destination for individuals, families and school classrooms, that facilitates hands-on learning about the natural environment and the history of the surrounding area.
